CREATIONS BY NATURE / 2026

Nature, savoured.

山野之间。

A landscape emblem, familiar ingredients and generous space.
The new edition gives the archive a quiet editorial rhythm.
Forest green anchors a warm, ingredient-led packaging family.

ARCHIVAL LANDSCAPE / FULL FRAME

An identity with a world inside.

CREATIONS BY NATURE

Keep the whole landscape.

The complete original emblem and wordmark retain all 75 paths.

No retyping, recolouring, cropping or separation of the lockup.

Selected from Final Files; another final-mark branch also exists.

Colour with a natural rhythm.

Nature, savoured.

BASKERVILLE / EDITORIAL HEADLINES
HELVETICA NEUE / PRODUCT INFORMATION
HIRAGINO SANS GB / CHINESE

Warm parchment gives the source drawings a consistent ground.
Moss, clay and earth organise the three packaging studies.
The original forest-green identity remains unchanged.

A family of considered details.

PACKAGING DESIGN STUDY / 2026

Different ingredients. One family.

Clear English and Chinese names anchor each front panel.

Archive illustrations remain intact, with no synthetic food imagery.

Colour bands distinguish the three concepts at a glance.

Front-panel design studies; production and adoption unconfirmed.

The detail is already there.

Drawn from the archive.

01 / MATSUTAKE

02 / MOREL

03 / BLACK TRUFFLE

Three complete drawings extracted from the source packaging PDF.

58 Matsutake paths, 82 Morel paths and 6 Black truffle paths.

Geometry, original ink and pale fill are preserved.

They are supplied archive artwork, not new studio illustrations.

Artist and licensing are not established by the supplied files.

A language that travels.

DESIGN STUDY / 2026

From a pack to a gift.

One complete identity.

One clear typographic system.

Space for the original detail.

Archive & new work.

THE ORIGINAL ARCHIVE

64 files, including two final-logo branches and packaging studies.

Native-file headers date from August to November 2022.

This edition selects the landscape emblem in Final Files.

Product names and drawings come from the packaging archive.

Landscape imagery is archival; its location and photographer are unknown.

THE NEW 2026 EDITION

New theme, layouts, colour organisation, packaging and print studies.

AI-assisted mockups are concepts, not manufactured products.

No current prices, weights, nutrition or origin claims are republished.

No claim of a verified growing region, wild harvest or certification.

Supplied third-party art and photography are not claimed as new work.

Original files, complete identity and drawing paths remain preserved.
