Notes & perspectives.

A folder and notes cover extend the identity onto paper.

Cards, an envelope and a display banner complete the set.

Applications are visual concepts, not production specifications.

The visual language.

FROM THE 2022 ARCHIVE

The original identity, flyers, cards and display banners

establish the name Intelligent Capital Group Inc.

The seal concept combines the Chinese name with

traditional vessel, pagoda and coin references.

THE 2026 VISUAL EDITION

Theme, palette, typography and applications are new work.

The edition does not repeat historic lending terms or outcomes.

Client adoption and physical production are unconfirmed.
