

穿越未来之 污染的怒吼

The Roar of Pollution Through the Future

让想象力， 看见未来。

萨沙、米沙、玛莎和鲍勃穿越到未来，
在一次次奇幻冒险中，发现环境污染带来的变化。
这本少儿环保故事集，让关于地球的思考
走进孩子们的想象世界。

A journey into the future, told through environmental adventures and children’s imaginations. This design study brings a clearer hierarchy to the bilingual title, gives chapter openings a distinct rhythm, and lets the original illustrations take their place on the page.
