THE ORIGINAL SIGNATURE

A woven square and finely drawn YOMO lettering.

Both original lockups retain every outline and proportion.

Give the full mark space; never stretch or crop the identity.

A quieter palette.

A softer rhythm.

日常，慢一点。

Olive and warm paper form the foundation.

Sand adds warmth; a deeper shade gives the palette weight.

Open serif typography gives each thought room to breathe.

Room for quiet.

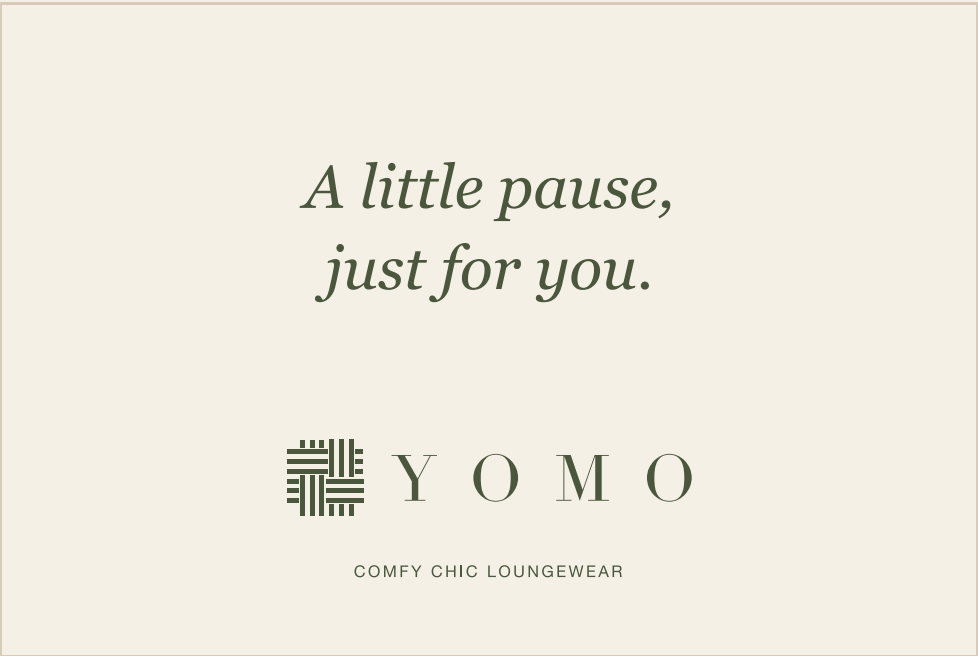

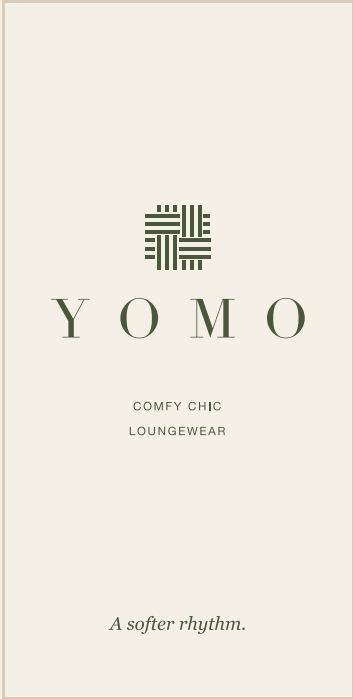

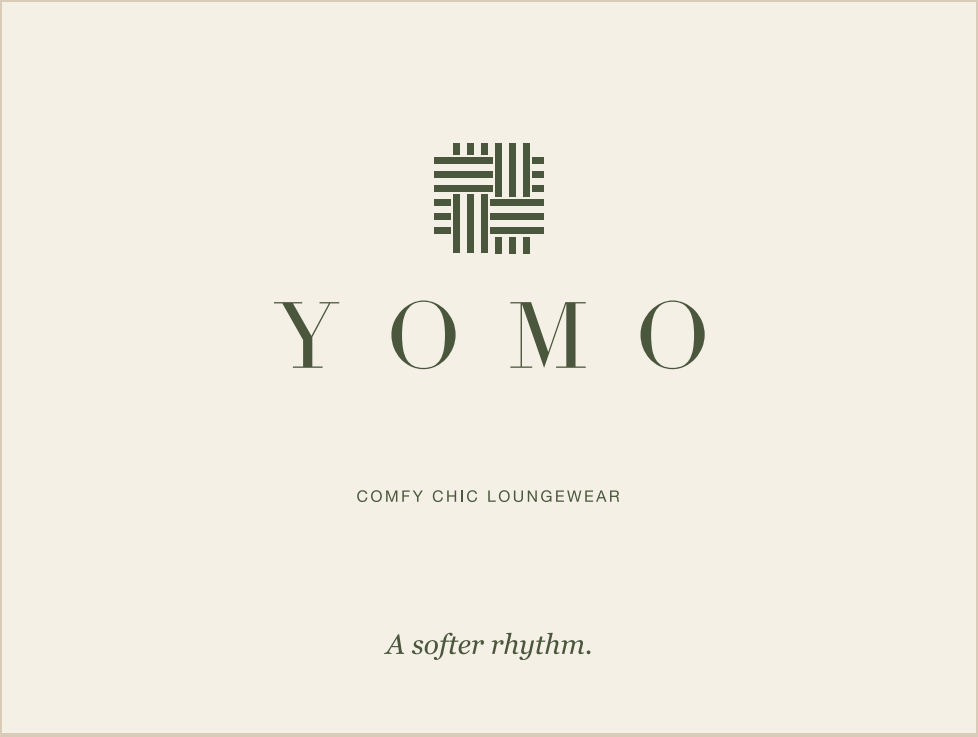

The botanical drawing is retained from the original cover.

It adds a softer line beside the precise, woven symbol.

A visual motif, not a declaration of fabric or composition.

Considered details.

The visual language.

THE FOUNDATION

Original identity, botanical drawing and loungewear tagline / 2022.

Original outlines and lockup proportions are retained.

Typeface, colour hierarchy, theme and applications / 2026.

THE APPLICATION

Let the complete identity lead on labels, cards and packaging.

Keep typography open, colour restrained and surfaces quiet.

These are visual concepts, not production specifications.

No garment composition, manufacture or client adoption is implied.
